

EasyClean10 Glass Treatment

Agalite's EasyClean10 Glass Treatment is an ultra-thin transparent protective glass coating that completely adheres to the glass surface. The non-stick properties of EasyClean10 cut down on the buildup of soaps, shampoo chemicals, salts and minerals on the glass. Overall, EasyClean10 makes shower door glass easier to clean using only water and a mild detergent. Harsh toxic cleaners are not needed to clean glass with EasyClean10 glass treatment.

ShowerGuard Glass

Its surface is permanently sealed during manufacturing with a patented ion beam process. Unlike spray-on or wipe-on treatments that eventually degrade over time, the protection provided by ShowerGuard Glass is part of the glass itself, so it never needs to be re-applied. With just a minimal amount of cleaning, ShowerGuard glass will stay beautiful for years to come. ShowerGuard glass is backed by ShowerGuard Lifetime Consumer Limited Warranty.
